## ABOUT UNITY FOR AUTISM

Unity for Autism is a unique charitable foundation, void of all salaries and most overhead costs, dedicated to raising money to assist many excellent organizations across Canada serving individuals with autism in dire need of alleviating their wait lists for services. John Tory is our Honorary Chairman and a great example of unity, for autism. Since October 2004, when our foundation was created, Unity for Autism has given grants totaling over \$2,000,000. Being completely volunteer, our total annual overhead is only 1%. We have provided grants averaging \$30,000 to over 40 excellent service providers/organizations for very specific program requests.
